

Massachusetts Department of Environmental Protection
Bureau of Waste Prevention
Greenhouse Gas (GHG) Credit Account Application/Revision

This form is required to establish an account for Greenhouse Gas (GHG) Credits and should be submitted to MassDEP by any person, company or organization wishing to open such an account for the purpose of holding and transferring GHG Credits. **Indicate the purpose of your application** (select only one):

☐ **Open New GHG Credit Account.** Complete Sections B through G of this form. The Account Representative, as well as the Alternate Account Representative (if applicable), must sign the certification statement in Section G.

☐ **Revise Existing GHG Credit Account.** Enter your GHG Credit Account Number and Account Representative Identification Number in Section A and complete only those other Sections of the form that cover the information you wish to change. You must complete the certification statement in Section G to authorize changes. Only one signature is required, but it must be that of the Account Representative or Alternate.

A. Existing GHG Credit Account Being Revised

Complete this Section only if you are submitting revisions to an existing account.

G. Certification Statement

I certify that I represent all persons who have an ownership interest in all GHG Credits that are held or will be held in this account. I certify that I have all the necessary authority to carry out my duties and responsibilities under 310 CMR 7.00: Appendix B(7), the Emission Banking, Trading, and Averaging Program, on behalf of such persons and that each such person shall be fully bound by my representations, actions, inactions, or submissions regarding the GHG Credit Account. I believe that the information contained in this application is true, accurate, and complete. I am aware that pursuant to M.G.L. Ch. 268, § 6, there are significant penalties for submitting false information, including possible fines and imprisonment.
